Access arrangements

Access Arrangements policy

Access arrangements are agreed before an assessment. They allow candidates with specific needs, such as special educational needs, disabilities or temporary injuries to access the assessment and show what they know and can do without changing the demands of the assessment. The intention behind an access arrangement is to meet the particular needs of an individual candidate without affecting the integrity of the assessment. Access arrangements are the principal way in which awarding bodies comply with the duty under the Equality Act 2010 to make 'reasonable adjustments'

Malpractice

Introduction

The purpose of this section is to confirm how The City of Leicester College manages malpractice under normal delivery arrangements in accordance with the regulations.

What is malpractice and maladministration?

(SMPP 1) 'Malpractice' and 'maladministration' are related concepts, the common theme of which is that they involve a failure to follow the rules of an examination or assessment. This policy and procedure uses the word 'malpractice' to cover both 'malpractice' and 'maladministration' and it means any act, default or practice which is:

- a breach of the Regulations
- a breach of awarding body requirements regarding how a qualification should be delivered
- a failure to follow established procedures in relation to a qualification

which:

- gives rise to prejudice to candidates
- compromises public confidence in qualification
- compromises, attempts to compromise or may compromise the process of assessment, the integrity of any qualification or the validity of a result or certificate
- damages the authority, reputation or credibility of any awarding body or centre or any officer, employee or agent of any awarding body or centre

For the purposes of this document, suspected malpractice means all alleged or suspected incidents of malpractice (SMPP 2)

General principles

In accordance with the regulations The City of Leicester College will:

- Take all reasonable steps to prevent the occurrence of any malpractice (which includes maladministration) before, during and after examinations have taken place (GR 5.11)
- Inform the awarding body immediately of any alleged, suspected or actual incidents of malpractice or maladministration, involving a candidate or a member of staff, by completing the appropriate documentation (GR 5.11)
- As required by an awarding body, gather evidence of any instances of alleged or suspected malpractice (which includes maladministration) in accordance with the JCQ publication Suspected malpractice - Policies and procedures and provide such information and advice as the awarding body may reasonably require (GR 5.11)

Candidate malpractice

- 'Candidate malpractice' means malpractice by a candidate in connection with any examination or assessment, including the preparation and authentication of any controlled assessments, coursework or non-examination assessments, the presentation of any practical work, the compilation of portfolios of assessment evidence and the writing of any examination paper (SMPP 2)

Centre staff malpractice

'Centre staff malpractice' means malpractice committed by:

- a member of staff, contractor (whether employed under a contract of employment or a contract for services) or a volunteer at a centre; or
- an individual appointed in another capacity by a centre such as an invigilator, a Communication Professional, a Language Modifier, a practical assistant, a prompter, a reader or a scribe (SMPP 2)

Preventing malpractice

The City of Leicester College has in place:

- robust processes to prevent and identify malpractice, as outlined in section 3.3 of the JCQ publication Suspected Malpractice: Policies and Procedures (SMPP 4.3)

Identification and reporting of malpractice

- The head of centre will notify the appropriate awarding body immediately of all alleged, suspected or actual incidents of malpractice, using the appropriate forms, and will conduct any investigation and gathering of information in accordance with the requirements of the JCQ publication Suspected Malpractice: Policies and Procedures (SMPP4.1.3)
- Form JCQ/M1 will be used to notify an awarding body of an incident of candidate malpractice. Form JCQ/M2 will be used to notify an awarding body of an incident of suspected staff malpractice/maladministration (SMPP 4.4, 4.6)
- Malpractice by a candidate discovered in a controlled assessment, coursework or non-examination assessment component prior to the candidate signing the declaration of authentication need not be reported to the awarding body but will be dealt with in accordance with the centre's internal procedures. The only exception to this is where the awarding body's confidential assessment material has potentially been breached. The breach will be reported to the awarding body immediately (SMPP 4.5)
- If, in the view of the investigator, there is sufficient evidence to implicate an individual in malpractice, that individual (a candidate or a member of staff) will be informed of the rights of accused individuals (SMPP 5.32)
- Once the information gathering has concluded, the head of centre (or other appointed information-gatherer) will submit a written report summarising the case to the relevant awarding body, accompanied by the information obtained during the course of their enquiries (SMPP 5.34)
- Form JCQ/M1 will be used when reporting candidate cases; for centre staff, form JCQ/M3 will be used (SMPP 5.36)
- The awarding body will decide on the basis of the report, and any supporting documentation, whether there is evidence of malpractice and if any further investigation is required. The head of centre will be informed accordingly (SMPP 5.39)

Communicating malpractice decisions

- Once a decision has been made, it will be communicated in writing to the head of centre as soon as possible. The Examinations Manager will communicate the decision to the individuals concerned and pass on details of any sanctions and action in cases where this is indicated. The Examinations Manager will also inform the individuals if they have the right to appeal (SMPP 11.1)

Appeals against decisions made in cases of malpractice

The City of Leicester College will:

- Provide the individual with information on the process for submitting an appeal, where relevant
- Refer to further information and follow the process provided in the JCQ publication A guide to the awarding bodies' appeals processes

Overnight supervision arrangements

When candidates are entered for multiple examinations (three or more examinations) timetabled for the same day and the total duration for those papers is:

- more than six hours for GCE examinations (AS, A2, A-level), including approved extra time allowances and/or supervised rest breaks, or
- more than five and a half hours for GCSE examinations, including approved extra time allowances and/or supervised rest breaks
- These arrangements do not apply where a GCSE candidate has five and a half hours or less of examinations in one day or where a GCE AS or A-level candidate has six hours or less of examinations in one day (ICE 8.1)

candidates may, at the centre's discretion, be allowed to take an examination the following morning, including Saturdays (8.1)

- Overnight supervision arrangements should only be applied as a last resort and once all other options have been exhausted (ICE 8)
- The head of centre must be satisfied with any arrangement for overnight supervision of a candidate where necessary and must accept full responsibility for the security of the examination throughout (ICE 8)
- Candidates are not allowed to take examinations on an earlier day than that scheduled on the timetable (ICE 8.1)
- The overnight supervision arrangements must ensure that the candidate does not have advance warning of the content of the examination deferred until the following morning. This means the candidate must not meet or communicate with anyone who may have knowledge of the content. This includes any form of electronic communication/storage device, e.g. telephone (both landline and mobile), e-mail, internet and social media. It also extends to television and radio, which could report key details of the day's examinations (ICE 8.3)

Roles and Responsibilities

- Ensure the JQC **Overnight Supervision** and **Overnight Supervision Declaration** forms are completed before the overnight supervision is to commence (ICE 8.4)
- Confirm the supervision of a candidate on journeys to and from the centre and overnight may be undertaken by the candidate's parent/carer or centre staff determining a method of supervision which ensures the candidate's wellbeing (ICE 8.2)
- Download the JQC **Overnight Supervision Declaration** form for signing by the candidate, the supervisor and the head of centre (ICE 8.4)
- Inform the parties involved that any infringement of the conditions governing overnight supervision arrangements may lead to the awarding body being unable to accept the script and/or the application of sanctions/penalties, as detailed in the JQC publication **Suspected Malpractice: Policies and Procedures** (ICE 8.4)
- Keep all completed forms available for inspection until the deadline for reviews of marking has passed or until any appeal, malpractice or other results enquiry has been completed, whichever is later, and not send to an awarding body, unless specifically requested (ICE 8.4)
- Ensure where a candidate takes an examination the following morning, the candidate is under centre supervision from 30 minutes after the awarding body's published starting time for the delayed examination and ensure there is no contact with other candidates who have already taken the examination (ICE 8.2)
- If a candidate is allowed to take an examination on a later day than other candidates at the centre, ensure all copies of the question paper used on the earlier day are sealed in an envelope and returned to the centre's secure storage facility until all candidates at the centre have taken that examination (ICE 8.6)

Alternative Rooming Arrangements

The Purpose

The purpose of this section is to confirm the criteria when this arrangement may be considered and granted for a candidate at The City of Leicester College in compliance with the regulations.

Alternative room arrangements within the centre is an available access arrangement as defined in the JCQ regulations. This is an arrangement where a candidate may be eligible to take an examination outside of the main examination room(s), for example in a room for a smaller group of candidates.

Decisions on the awarding of the arrangement

At The City of Leicester College, decisions on the awarding of the arrangement are made by:
Laura Pennifold

Decisions are based on:

- Whether the candidate has a substantial and long-term impairment which has an adverse effect (AA 5.16)
- The candidate's normal way of working within the centre (AA 5.16)
- Ensuring the proposed arrangement does not disadvantage or advantage the candidate (AA 4.2.1)
- Nervousness, low level anxiety or being worried about examinations is not sufficient grounds for separate invigilation within the centre. (AA 5.16)

Criteria for the awarding of the arrangement

Alternative rooming arrangements will be considered where the arrangement would prevent a candidate from being placed at a substantial disadvantage and where the following conditions are met:

- The candidate has an established difficulty as defined in section 5.16 of the JCQ's **Access Arrangements and Reasonable Adjustments** publication (ICE 14.18)
- The candidate's difficulties are established within the centre and known to relevant staff or a senior member of staff with pastoral responsibilities (AA 5.16)
- Alternative rooming arrangements reflects the candidate's normal and current way of working in internal tests and mock examinations (AA 5.16)
- Where a candidate is subject to alternative rooming within the centre, the regulations and guidance within the JCQ publication **Instructions for conducting examinations** will be adhered to, particularly in relation to accommodation and invigilation arrangements (ICE 14.18)

Other rooming arrangements

At The City of Leicester College arrangements for seating candidates in rooms separate to the main cohort may be put in place in other circumstances. As and when applicable, these circumstances include:

- Extra time
- Rest breaks
- Reader
- Word processor
- Scribe
- Alternative room

Lockdown Policy

The Purpose

The purpose of this policy is to confirm the arrangements at The City of Leicester College for dealing with a lockdown when examinations are being conducted. Depending on the nature of the incident, TCOLC may also decide to evacuate, invacuate (an inward evacuation) or use a protected space(s). However, this policy focuses specifically upon the actions, roles and responsibilities during an exams-related lockdown.

Lockdown procedures have been determined by consulting guidance provided by ProtectUK

A lockdown may be required in the following situations:

- an incident or civil disturbance in the local community which poses a risk
- an intruder on the site with the potential to pose a risk
- local risk of air pollution, such as a smoke plume or gas cloud
- a major fire in the vicinity
- a dangerous animal roaming loose
- an internal threat from a student
- any other external or internal incident which has the potential to pose a threat

In the event of a lockdown during an examination the focus before, during and after an exam will be:

- the welfare and safety of candidates and exams staff
- maintaining the integrity and security of the examination/assessment process

Lockdown procedures

Where a lockdown is required, the following procedures will be employed at The City of Leicester College:

Before an examination

As candidates are entering/waiting to enter the examination room, Invigilators will:

- instruct candidates to enter the examination room immediately
- instruct candidates to remain silent, hide under desks or sit against a wall/around a corner but not near the door and to ensure mobile phones are on silent and non-vibrate mode
- lock all windows and close any/all curtains/blinds
- switch off all lights
- lock all doors and/or use tables, or any other furniture, to barricade the entrance to the room
- take an attendance register/head count if possible
- if the threat is a chemical or toxic release, instruct candidates to cover their nose and mouth (their own clothing can be used) and attempt to use anything to hand to seal up cracks around doors and any vents into the room
- where safe/possible, do not leave the examination question papers unattended/out of sight

A senior leader/authorised person will be present around the examination room(s) area(s) and where safe/possible, communicate the situation to the exams office/officer (via mobile phone/walkie talkie on silent and non-vibrate mode)

The exams office/officer will collate the information from all examination rooms and forward this to the head of centre immediately

The head of centre will make informed decisions on alerting parents/carers, awarding bodies and emergency services

During an examination

When candidates are in the examination room, Invigilators will:

- tell candidates to stop writing immediately and close their answer booklets
- collect the attendance register
- make a note of the time when the examination was suspended
- instruct candidates to remain silent, leave all examination materials on their desks and hide under desks
- where safe/possible, communicate (via mobile phone/walkie talkie) the situation to the Examinations Manager (ensuring that all mobile phones/walkie talkies are on silent and non-vibrate mode)
- lock all windows and close any/all curtains/blinds
- switch off all lights
- lock all doors and/or use tables, or any other furniture, to barricade the entrance to the room
- if the threat is a chemical or toxic release, instruct candidates to cover their nose and mouth (their own clothing can be used) and attempt to use anything to hand to seal up cracks around doors and any vents into the room
- where safe/possible, do not leave the examination question papers unattended/out of sight

Where safe/possible, the exams office/officer will collate the information from all examination rooms and forward this to the head of centre immediately.

The head of centre will make informed decisions on alerting parents/carers, awarding bodies and emergency services

If appropriate, where safe/possible, and following instruction from the appropriate authority, the exams office/officer and/or invigilators will initiate the emergency evacuation procedure.

Where safe/possible, the exams office/officer will collect all examination question papers and materials for safe/secure storage following advice from the appropriate awarding body/bodies.

After an examination

As candidates are leaving the examination room, Invigilators will:

- stop dismissing candidates from the examination room
- instruct candidates who have left to re-enter the examination room
- instruct candidates to remain silent and hide under desks/tables
- where safe/possible, communicate (via mobile phone/walkie talkie) the situation to the Examinations Manager (ensuring that all mobile phones/walkie talkies are on silent and non-vibrate mode)
- lock all windows and close any/all curtains/blinds
- switch off all lights
- lock all doors and/or use tables, or any other furniture, to barricade the entrance to the room

- If the threat is a chemical or toxic release, instruct candidates to cover their nose and mouth (their own clothing can be used) and attempt to use anything to hand to seal up cracks around doors and any vents into the room
- where safe/possible, do not leave the examination question papers unattended/out of sight

Where safe/possible, the Examinations Manager will collate the information from all examination rooms and forward this to the head of centre immediately.

The head of centre will make informed decisions on alerting parents/carers, awarding bodies and emergency services.

Ending a lockdown

- The lockdown will be ended by either:
 - the sound of a defined alarm, or
 - the identification/authorisation of emergency service officer/senior leader/head of centre entering the examination room
- A specific word or phrase may be used to confirm that the instruction to end the lockdown is genuine
- Invigilators will undertake a head count/register and confirm attendance with the exams office/officer/senior leader
- Where applicable and if advised to do so by a senior leader/head of centre, if there is sufficient time (and following JCQ regulations), candidates may be allowed to restart their examination

Invigilators will:

- ask candidates to return to their desks, remind them they are under formal examination conditions and allow a settling down period
- allow candidates the full working time remaining for their examination
- recalculate the revised finish time(s)
- tell the candidates to open their answer booklets and re-start their examination
- amend the revised finish time(s) on display to candidates
- note how long the lockdown lasted on the exam room incident log (to later inform a report to the awarding body/bodies)
- Where safe/possible, not leave the examination question papers and candidates' scripts unattended/out of sight

The exams office/officer will:

- provide a report of the incident for the awarding body/bodies (via the special consideration process or as advised by awarding bodies)
- Train invigilators in the centre's lockdown procedures

- Where applicable/possible/available, the senior leader/exams office/officer will:

Special Considerations

The Purpose

The purpose of this section is to identify roles and responsibilities within the special consideration process and confirms The City of Leicester College will submit an application for special consideration where a candidate meets the published criteria. (GR 5.9)

Special consideration is a post-examination adjustment to a candidate's mark or grade. This is to reflect temporary illness, temporary injury or some other event outside of the candidate's control at the time of the assessment. It is applied when the issue or event has had, or is reasonably likely to have had, a material effect on a candidate's ability to take an assessment or demonstrate his or her normal level of attainment in an assessment. (SC 1)

Special consideration can go some way to assist a candidate affected by a potentially wide range of difficulties, emotional or physical, which may influence performance in their examinations. It cannot remove the difficulty faced by the candidate. This means that there will be some situations where candidates should not be entered for an examination. This is because only minor adjustments can be made to the mark awarded. To make larger adjustments would jeopardize the standard of the examination. (SC 1)

Eligibility for special consideration

- Candidates will be eligible for special consideration if they have been fully prepared and have covered the whole course but performance in the examination, or in the production of coursework or non-examination assessment, is materially affected by adverse circumstances beyond their control (SC 2.1)
- Special consideration must be applied for at the time of the assessment (SC 2)
- Candidates will NOT be eligible for special consideration if preparation for, or performance in the examination is affected by the reasons detailed in the JCQ publication **A guide to the special consideration process** (SC 2.3)

Roles and Responsibilities

The role of the head of centre

- Be familiar with, refers to and directs relevant centre staff to the annually updated JCQ publication **A guide to the special consideration process**
- Ensure where a candidate meets the published criteria, an application for special consideration will be submitted to the relevant awarding body by the exams office/officer

The role of the Exams Manager

- Refer to the criteria detailed in the JCQ publication **A guide to the special consideration process** to determine where a candidate is/is not eligible for special consideration
- Where a candidate meets the published criteria, submit an application for special consideration to the relevant awarding body

The role of the senior leader

- Produce signed evidence to support all applications for special consideration (SC 6)

The role of other staff

- Provide any appropriate evidence or information that may be required to determine a candidate's eligibility for special consideration

The role of an affected candidate (or parent/carer)

- Provide any medical or other evidence that may be required to confirm eligibility for special consideration

Applying for special consideration

At The City of Leicester College, where a candidate is eligible, special consideration will be applied for at the time of the assessment in accordance with the regulations as detailed in the JCQ publication **A guide to the special consideration process**.

Examples where a candidate/candidates may be eligible for special consideration include:

- A candidate arrives for the examination and is clearly unwell, extremely distressed and/or may have sustained an injury that requires emergency access arrangements to be put in place:
 - the candidate is kept under centre supervision (from 30 minutes after the published starting time for that examination until they begin it) while appropriate arrangements are put in place for the candidate to take the examination (ICE 7.4)
 - special consideration is applied if this indisposition has had, or is reasonably likely to have had, a material effect on the candidate's ability to demonstrate his or her normal level of attainment in the examination (SC 1)
- Application for an allowance on the last paper taken in a day when a candidate has been entered for three or more examinations timetabled for the same day and the total duration of those papers is more than 5 hours 30 minutes (GCSE examinations) or more than 6 hours (GCE examinations) (SC 3.3)
- Serious disturbance during the examination (SC 2.1)
- Candidates will not be eligible for special consideration if preparation for, or performance in the examination is affected by a minor disturbance in the examination room caused by another candidate, such as momentary bad behaviour or a mobile phone ringing (SC 2.3)

Candidates who are absent from a timetabled component/unit for acceptable reasons

If a candidate is absent for acceptable reasons, and The City of Leicester College can support this, special consideration will be applied for if the examination missed is in the terminal series and the minimum requirements for enhanced grading in cases of acceptable absence can be met. (SC 4)

For unitised examinations taken in an examination series prior to certification, candidates must be re-entered for any missed units at the next assessment opportunity. Unless there are difficulties

arising, e.g. group performances which cannot be repeated, special consideration will not be awarded. (SC 4)

Other issues

Where other issues or problems affect a candidate or a group of candidates, special consideration will be explored in **A guide to the special consideration process** and applied for where eligible. This may include, for example:

- Other certification (SC 5)
- Coursework/non-examination assessment extensions (SC 5)
- Shortfall in work (coursework/non-examination assessment) (SC 5)
- Lost or damaged work (non-examination assessment components) (SC 5)
- Candidates taking an incorrect or defective question paper (SC 5)
- Candidates undertaking the wrong controlled assessment or non-examination assessment assignment (SC 5)

Where a candidate may be eligible for special consideration (a post assessment adjustment) in a vocational qualification, The City of Leicester College will follow **A guide to special consideration** (section 7) and awarding body guidance to determine if, when and how an adjustment can be applied for.

Processing applications for special consideration

The role of the head of centre

- Ensure all eligible applications are supported by signed evidence produced by a senior leader (SC 6)

The role of head of SEND lead

- Ensure applications are processed as required by the awarding bodies
- Ensure a candidate/candidates (or a parent/carer) understands that all cases must be dealt with by the centre [SC 6]
- Ensure that special consideration is applied for at the time of the assessment
- Ensure special consideration is not applied for in a cumulative fashion and where a candidate may be affected by different indispositions, ensure special consideration is only applied for the most serious indisposition
- Keep evidence to support all applications on file until after the publication of results and provide the signed evidence produced by a senior leader in support an application where this may be requested by an awarding body (SC 6)
- Meet the awarding body deadline(s) for submitting applications

Submitting applications for special consideration

At The City of Leicester College, where a candidate or group of candidates is/are eligible for special consideration, applications will be submitted to the relevant awarding body following the published processes in **A guide to the special consideration process**.

In cases of online applications for special consideration, the candidate/candidates will be informed when an application for special consideration is submitted to the awarding body (to ensure compliance with the UK GDPR/Data Protection Act 2018). Evidence to support all applications will be kept on file until after the publication of results.

Timetabled written examinations

- Applications for individual candidates will be submitted online by logging into the relevant awarding body secure extranet site and following the links to special consideration (where the awarding body's secure site accepts applications online)
- A single application to cover all examinations where a candidate is present but disadvantaged and a separate application for each day where a candidate is absent from an examination for an acceptable reason will be submitted
- The paper form 10 **Application for special consideration** will only be completed and submitted to the awarding body where the online system does not accept applications for a particular qualification
- For groups of candidates, applications will be made online where the awarding body's secure system accepts group applications or form 10 will be completed
- The paper form 14 **Self-certification form** (Self-certification for candidates who have missed an examination) will only be completed by a candidate where circumstances warrant this and will not be used where the centre knows the candidate was ill

Internally assessed work

- Where appropriate, applications will be made online where the awarding body's secure system accepts them or form 10 will be completed and submitted to the awarding body
- Where a short extension to a work submission deadline for an individual candidate is being requested, the awarding body will be contacted directly
- Where an application relates to a shortfall in work for an individual, this will be submitted online or by completing form 10, dependent on the awarding body

Post-assessment adjustments - vocational qualifications

- Where the learners circumstances are eligible, form 10 or form VQ/SC **Application for special consideration Vocational qualifications** will be completed and submitted to the awarding body.

Late applications

If, after the publication of results for a particular examination series, a claim is made that special consideration was not applied for at the time of an assessment where a candidate was eligible, the claimant will be informed that late applications will only be accepted by an awarding body in the most exceptional circumstances and where a member of the senior leadership team is able to produce **compelling** evidence to support a late application.

If a claim is made after the completion of a review of results, the claimant will be informed that an application for special consideration cannot be submitted.
