## Year 10 Health and Social Care

### Summer Homework Task: RO35 Public Health Campaigns

Your task is to fully complete your first coursework task – A report on the below. Write a detailed paragraph for point 1 and 2.

You have now chosen your public health challenge: Alcohol **Consumption OR Physical Activity**.

**You MUST:**

- 1. Explain why you have chosen the public health challenge** – consider the points below:
  - ✓ Your own personal reasons for your choice – why do you believe it is so important to address?
  - ✓ Research and include statistics/data to show why is it a big issue in the UK.
  - ✓ Research and include statistics/data to show why is it a big issue in Leicester.
- 2. Why is addressing the public health challenge important for a healthy society?**
  - ✓ What impact will your health challenge have on individuals if it isn't addressed? Consider PIES impact.
  - ✓ What impact will your health challenge have on family if it isn't addressed?
  - ✓ What impact will your health challenge have on the nation if it isn't addressed? – consider long term effects on HSC services.
  - ✓ How would it lead to a healthier society? Consider points studied in class – decrease cost of care, decrease of sickness and dependency, increase in life expectancy, impact on HSC services, the workforce etc.

Do not forget to add a list of websites used for research at the end of your work. You must reference any quotes used within your work. Refer to the modelled coursework example you studied in class.

#### MARK SCHEME – AIM HIGH!

Unit R035 – Topic Area 1: Current public health issues and the impact on society
